**THINGS ARE CHANGING.....**

If you are looking for the resources that used to be stored in vestibule or on the shelves in church you can now find them in our resource room (the old confessional). You will also find the children's books in there and ask that you please return them after use. We have installed wooden racks on our vestibule and chapel walls so that you can find copies of our bulletin and newsletter plus other information. New parishioner forms are also there. We ask that you do not place anything into those holders unless it has been approved by the parish office. During this monsoon season we are experiencing a few water issues here in our parish. We ask that you do not sit nor walk in the area that has been taped off.

**There are still dates available  
for you to have  
The Vocation Awareness Prayer Chalice  
in your Home.**

Remember each month is dedicated to a different Mass time.  
The schedule is as follow:  
September — 9:00 am  
October — 10:30 am  
November — 5:00 pm

**LADIES OF ST. CATHERINE**

Any lady over 18 is invited to attend the meetings in the hall on the first Tuesday of each month at our **NEW** time of 9:30 am. This allows those that want to attend the 8:30 am Mass to come straight to the hall.

**HAND CARVED in BETHLEHEM**

**PLEASE STOP BY THE TABLES OF RELIGIOUS WARES (Nativity set, rosaries, statues, crucifixes, charms, etc.) AFTER ALL THE MASSES THE WEEK END OF (August 21 & 22).**

Ayman Khair is representing about 180 Christian families from Bethlehem. These families have been dependent upon sales of their hand carved religious articles to tourists of the Holy Land. Due to the conflict in the Middle East and the Pandemic, tourism has been stopped completely since March 2, 2020.

It is very important to support them at this critical time, since they have no income and there is no government to take care of them and help them. In order to survive, they have turned to Christian communities in the United State to purchase their articles.

These **hand carved religious articles are beyond description.** Carved from **wood of the sacred Olive tree**, this workmanship has been traditional for these families for hundreds of years. It is hoped that through the efforts of Mr. Khair, these families who have little income and are able to stay living and survive in the Holy Land.

Sadly enough, the Christian population dropped from 22 % to less than 2% in the last 20 years. Thank you in advance for your support.
