

The “GIVING TREE”

The “Giving Tree” project began in March of 2000 as a means to assist the Chino Valley Food Bank. A tree has been placed in the vestibule with tags for leaves. Each leaf represents an item that is in need at the Food Bank.

Each family is asked to take at least one tag per month from the tree as their budget allows. Purchase and return the item to the basket next to the tree. That’s all there is to it!

You are not limited to the items on the tags, they are merely suggestions. Each month the Food Bank helps over 500 families in the Chino Valley and Paulden area with food.

THANK YOU
For your continued support of this program!
