

JUST COFFEE

Café Justo

Come and taste some *Reeaallyy Good Coffee* on the 3rd Sunday (and the Saturday evening before) of each month in the hall.

Our JustFaith group is selling this coffee to benefit the families who make up the fair-trade cooperative (40 families at present) in Salvador Urbina, Chiapas, Mexico.

The coffee is one-hundred percent organic, shade grown, high quality coffee that is not only grown, but processed entirely by the members of the co-op.

You can purchase ground or whole bean (dark, regular or light roasted), or green bean coffee.

Cost is \$9/lb for regular and \$10/lb for decaf.

Varieties are 100% Arabica, 100% Robusta, 100% Marago, decaffeinated, Arabica/Robusta Blend and Arabica/Decaf Blend. For more information, please stop by the hall after Mass and talk to one of the Just Faith Coffee group.
