

**Attention ALL volunteers, and those who would like to become a volunteer,
here at St. Catherine Labouré Church.**

Volunteers are the heart of the ministries and events here at our parish, and we wish to say “thank you” for serving the people of our parish! The Diocese of Phoenix requires that ALL volunteers, employees and clergy members complete mandatory Safe Environment Training courses to volunteer or work for any Church or program associated with the Diocese of Phoenix. This process has been in place since 2006. To accomplish this requirement, every parish has a Safe Environment Training Coordinator, and Trainers who provide the mandatory sessions. These sessions are broken into two sections – Foundation and Renewal sessions.

To better serve our parish volunteers, we are changing when sessions are offered. We will offer a Foundation class (for new volunteers) once per quarter. All sessions are limited to members of St. Catherine Labouré Church. *Volunteers from other parishes must have the Safe Environment Coordinator of their parish contact us to sign them up before they can attend our sessions.*

All Volunteers first complete a Safe Environment FOUNDATION class, a face-to-face interview with the leader of the group they wish to volunteer for and provide a minimum of three references for a reference check. These three items must be completed prior to your beginning your service as a volunteer here at St. Catherine’s.

For 2018, Foundation Class sessions will be done on Saturday beginning at 9 am and ending at 12 noon in the St. Michael Room. The remaining dates for the sessions for 2018 are July 7th and November 10th. ***If there is no one from St. Catherine’s registered by noon on the Wednesday before the class date, the class will be cancelled.***

Due to the nature of the material presented, NO ONE under the age of 18 is allowed to be present during the class. We DO NOT offer childcare during the classes. Classes start PROMPTLY at the scheduled start time—once the class has started, you will not be allowed to attend the class.

- You must pre-register for these classes as class size is limited. To register, you must come into the office and pick up an application form. At that time, your name will be added to the session list.
- Please bring a photo ID and contact information for 5 references when you come to register.

Once you have completed a Foundation session, all volunteers are required to complete ANNUAL RENEWAL sessions. Here at St. Catherine’s, Renewal sessions must be completed between July 1st and November 30th. Renewal sessions are offered on-line through the Diocese of Phoenix website. It is highly encouraged that you complete Renewals online as they are short approximately 15 to 20 minutes.

SAFE ENVIRONMENT Online Training can be accessed at:

<http://www.safeenvironmenttraining.org/classes.php>

Please note: You MUST watch the credits at the end of the session and wait for the “pop-up” that says you have completed the class to receive credit for the online class!

For those unable to complete an online session, Renewal sessions in person are one hour. There will be three sessions,

- July 21st and October 13th at 9 am in the St. Michael Room and
- October 27th at 1 pm in the hall.

These sessions are limited in size, and you must pre-register by contacting the office to have your name placed on the session list. ***If there is no one from St. Catherine’s registered by noon on the Wednesday before the class date, the class will be cancelled.***
