

SEEKING ALLAH...

FINDING JESUS

Nabell Qureshi provides an intimate window into a loving American Muslim home and his passion for Islam before he discovers Jesus as his Lord and Savior—unable to deny the arguments but not wanting to deny his family.

You will experience his inner turmoil as he tells a powerful story of the clash between Islam and Christianity in one man's heart, and of the peace he found in Jesus. You will also learn about Islam and end this study with a deep appreciation & understanding of your Christian faith.
