

St. Catherine's Angels Craft Group

Six times a year, this fun-loving group gets together to create small items for the homebound members of our parish and community. Our crafts are taken to homebound members of our parish by our Ministers of Care. Meals-on-Wheels and People Who Care distribute them to homebound members of our community. And we also give crafted items to the VA Hospital in Prescott.

You don't need to be an experience crafter to join us—just come with a willing spirit! School age children are welcome as long as a parent accompanies them during craft time.

We meet at 9 am in the St. Michael Room, and are usually done by 11 am. We make crafts for Halloween, Thanksgiving, Christmas, Valentine's Day, Easter and the 4th of July.

Christ has taught us our existence should not be all about ourselves, but about relationships. Individuals are to be seen as members of a family and the broader society. With "family" being defined as a community of life and love that guards, communicates and reveals that love, the Christian vision then seeks to promote partnerships being formed between families and the Church to share responsibility for serving others.

Come on - be an angel!

Won't you join us in this fun ministry?
